Dear Trudy,

On behalf of Consumers Energy, I am pleased to confirm the donation of 8 tickets to the upcoming concert featuring Justin Timberlake at the Van Andel Arena in Grand Rapids on Saturday, November 2, 2024, for the Women's Resource Center's Wine, Women & Chocolate silent auction on October 3, 2024.

The total value of this donation is \$2,260.00, which is a value of \$282.50 per ticket. We hope that these tickets will generate significant interest and contribute to the success of your silent auction.

We appreciate the work your organization does to support women on their journey towards financial stability, economic independence and workplace success.

The tickets will be electronically transferred to Tiandra VanHattum (TVanHattum@grwrc.org). Once the winners are identified, you will be able to distribute those accordingly through an electronic transfer.

If there are any additional details or arrangements needed, please do not hesitate to contact me at 616-930-5137 or nate.henschel@cmsenergy.com. We are more than happy to assist in any way we can.
